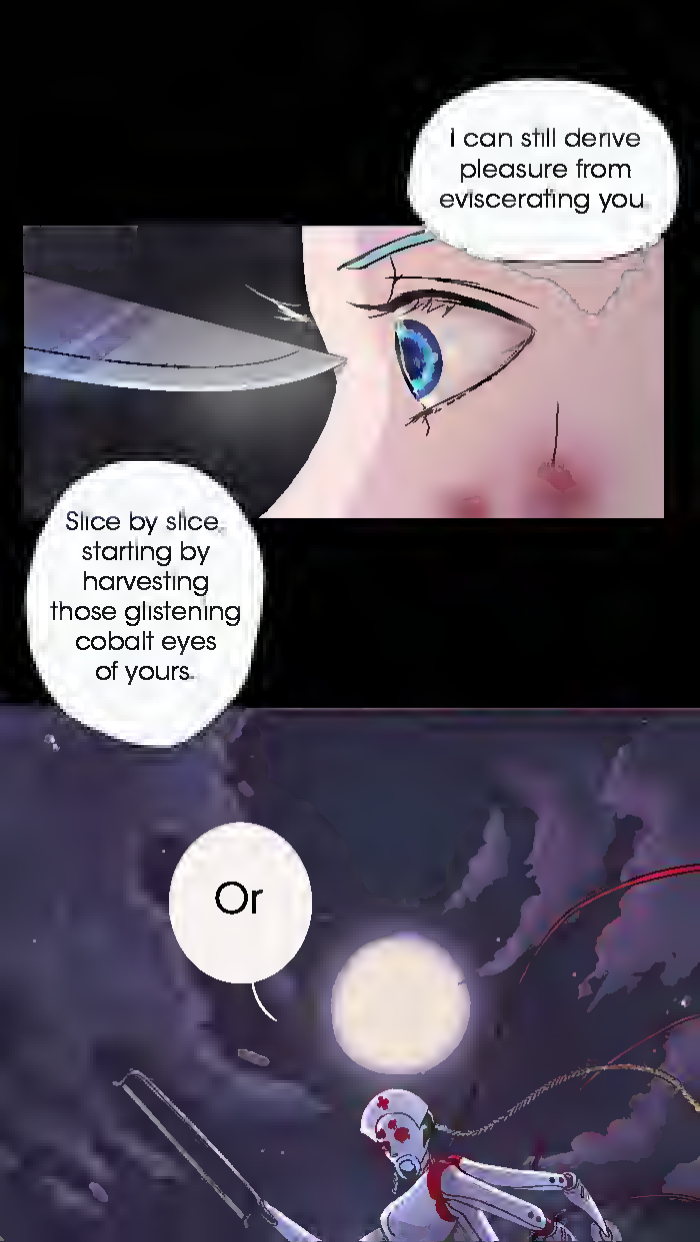
Chapter 3.3

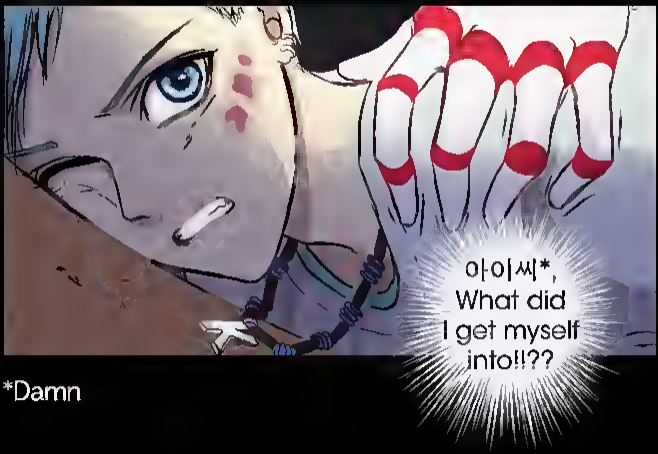
Nightmare Exchange



I can still derive pleasure from eviscerating you
Slice by slice starting by harvesting those glistening cobalt eyes of yours
Or

Although this is a "game". All injuries sustained

real life.



*Damn

So here's an expiring proposal. *Kryon*

Exit the game alone.

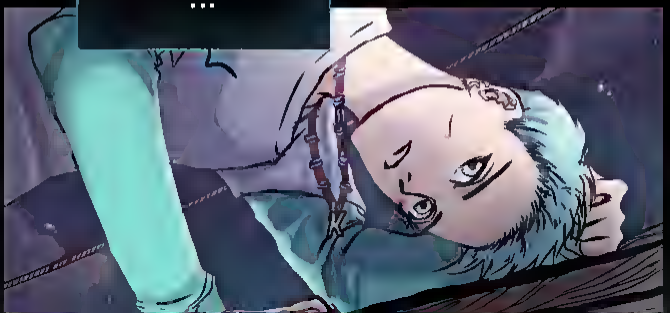
Once left, readmission is denied.

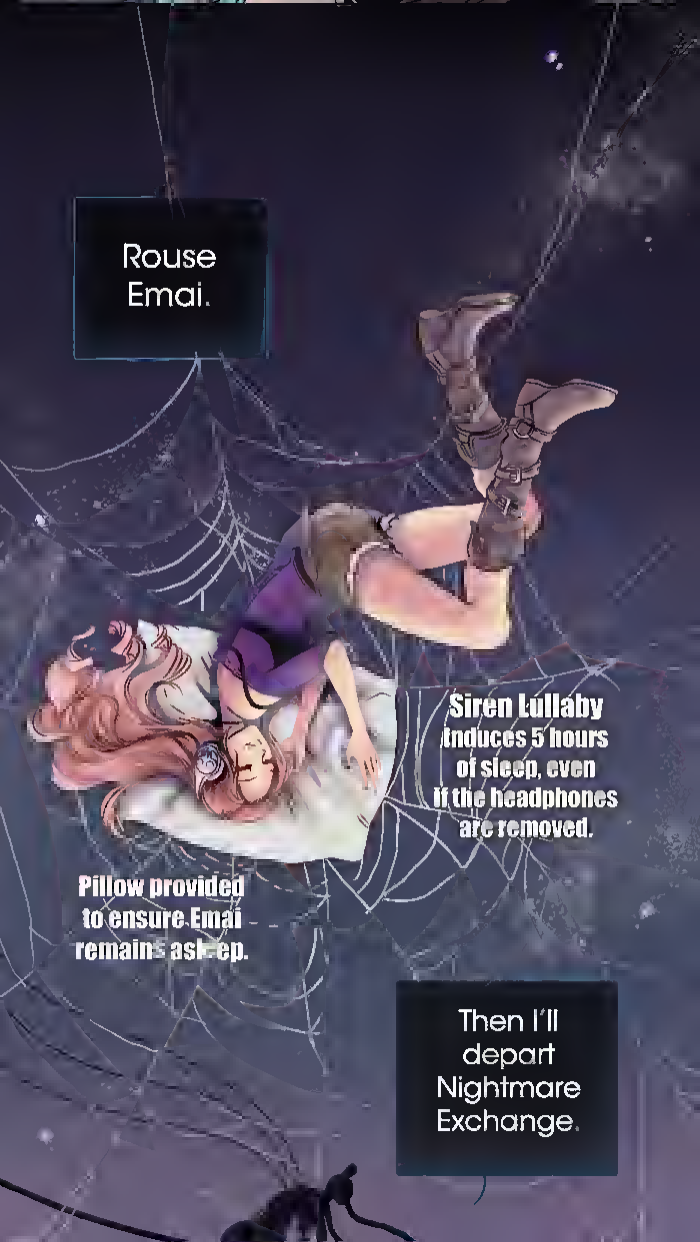
Offer invalid in 5, 4—
OKAY!

I'll go!

Aw.
And they say "Chivalry is dead"...

Under one condition ...

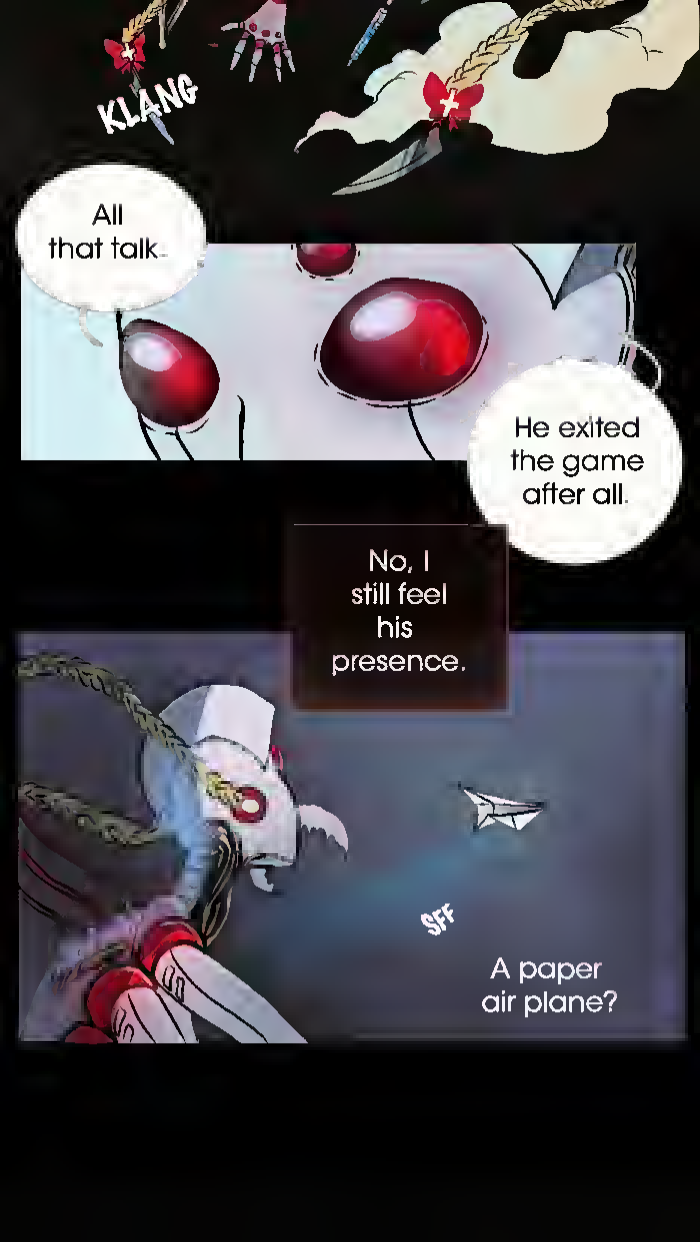




Rouse Emai.
Siren Lullaby induces 5 hours of sleep, even if the headphones are removed.
Pillow provided to ensure Emai remains asleep.
Then I'll depart Nightmare Exchange.

You're in no position to negotiate.
Remove hand.

AHHHHHH!!!



KLANG
All that talk.
He exited the game after all.
No, I still feel his presence.
SFF
A paper air plane?

THUD

REWIND

While the arachnid nurse was occupied with Kreyul's right hand, his left hand was—

Summon

paper plane & pencil!
Quickly sketched himself
Toss

You know, during the

time the Arachnid Nurse wos rombling on

I could hove visited the Louvre*, bought o boguette, then return here.

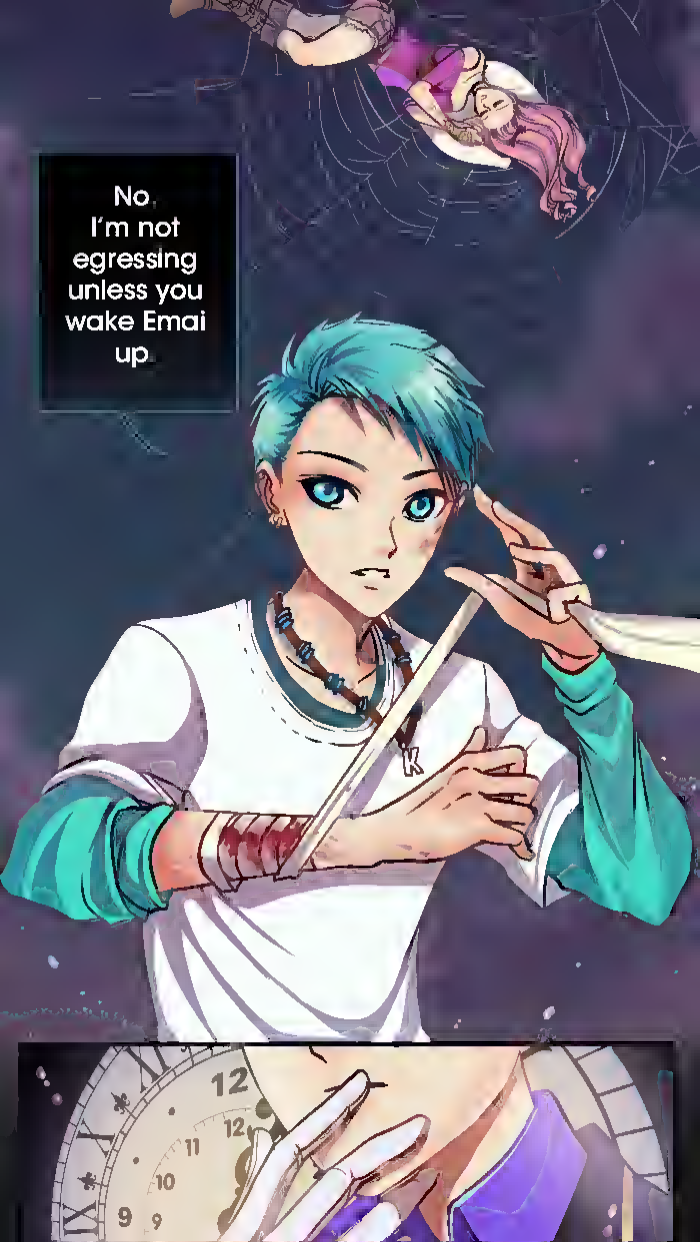
Why ore villoins so chotty?

Two. I'm left handed.

Summon gouze.

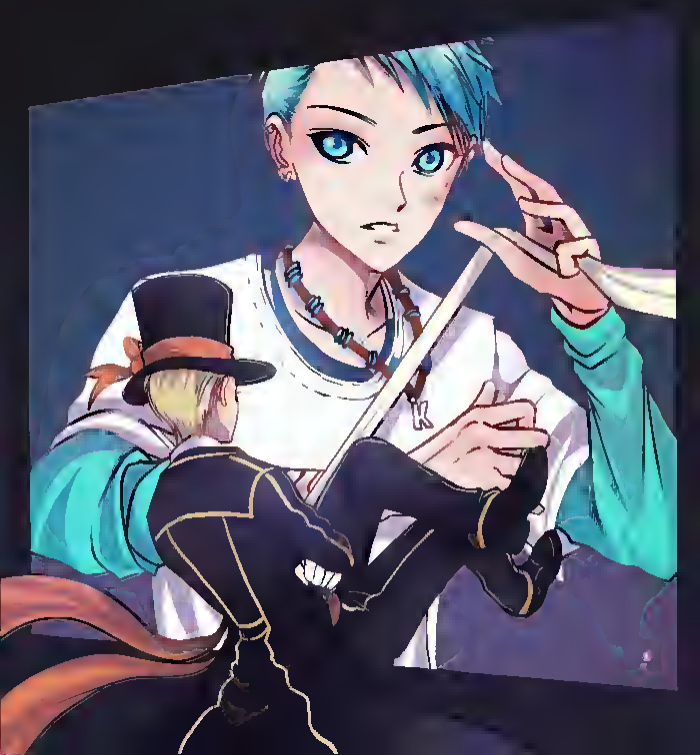
I'm guessing your response to my stipulotion is o "No."

Then here's my reply to yours.



No.
I'm not egressing unless you wake Emai up.

People
like you...



Exasperate me.

You know what?

Accurately answer this question, then I will awake whot's-her-foce.

Exasperate: Agitate, infuriate, piss me aff.
Stipulatian: A canditian af an agreement.
Egress: Leave a place.
Lauvre: An art museum in France.
Eviscerate: remave the cantents af (a bady argan)
